MONTREAL

This year's Ometz A Chance to Shine gala was held at the beautiful Place des Arts' Theatre Maisonneuve. Over 1,100 guests were treated to a stunning performance of *Traces* by the internationally acclaimed Montreal contemporary circus troupe Les 7 doigts de la main, with local dance schools Juste Danse and the Tyler Anne School of Dance providing pre-show performances. The more than \$460,000 raised will go to helping the community's at-risk children and youth.*Incroyable !!* ■
